

Case Study

CITYWIDE

Council & Government

Alpha Lewis Signs can be found Citywide

Citywide is a major Australian physical services company that works with local councils to shape and facilitate more sustainable urban landscapes. The company provides environmental and infrastructural services, such as waste management and road stabilisation.

Alpha Lewis Signs partners with Citywide on a number of projects, including vehicle signage on their fleet of trucks and street sweepers, directional and building signage in Melbourne.

Alpha Lewis Signs is helping Citywide to shape sustainable landscapes.
