

Case Study

BENETAS AGED CARE
Wayfinding Signage

An ongoing partnership.

Benetas Aged Care is one of the leading not-for-profit providers of residential care and in-home care in Victoria. Benetas Aged Care supports more than 4,000 retirees and their families each year.

Alpha Lewis Signs is honoured to work with Benetas on an ongoing basis to provide various signs to their facilities across metropolitan Melbourne and regional Victoria. We have produced vehicle wraps, internal signs and wayfinding signage – all of which align beautifully with Benetas' orange and grey branding.

We look forward to growing our relationship with Benetas Aged Care in the future.
